

Delta Gamma Center

Youth Group Facilitator

Delta Gamma Center's mission is to help children who are blind or visually impaired reach their full potential through family-centered, specialized services and community support.

POSITION SUMMARY

The GRADS Facilitator at Delta Gamma Center (DGC) is responsible for planning and facilitating group activities for children ages three to high school with visual impairments and their families, some of whom have other disabilities. The goals of the GRADS program are to:

- Foster the development of social skills, friendships, and independence through fun and challenging activities
- Motivate participants to challenge themselves and become an active participant in their communities

RESPONSIBILITIES

- Provides a safe, fun, and challenging learning environment in which participants can build social skills and friendships, become more independent, and participate in community activities
- In partnership with participants and parents, develops and monitors individual goals for each participant
- In partnership with other facilitators and program staff, creates annual and monthly activity plans that promote program goals, ensuring adaptations are made to enable full participation of all group members
- Provides oral and written reports of participant progress updates to parents, team members and management including maintaining client files in compliance with DGC requirements
- Maintains a group environment which allows for effective communication
- Supports monitors of participation and achievement of individual goals
- Assists with planning and chaperoning for the annual winter and summer challenge trips
- Communicates regularly with parents/guardians of participants, partnering to set goals and determine needed supports for program participants. Provides updates to parents regarding group activities and progress on individual goals
- Assists in the evaluation of group activities to improve and expand programming

- Attends weekly virtual facilitator staff meetings and regularly monitors/responds to emails, texts, phone calls, and other communication from DGC staff and parents of participants.
- Assists with planning and staffing 4-8 family events annually
- Coordinates and supervises volunteers during activities, including communication regarding planned activities; provides guidance on support needs of each participant
- Respects the unique interests, culture, needs, and priorities of each child, family, and volunteer and builds on their strengths and abilities
- Other related tasks as assigned

QUALIFICATIONS

- Minimum of a bachelor's degree or comparable work experience in education, social work, recreational therapy or a related field
- Certification as a teacher of the visually impaired or orientation and mobility specialist is a plus
- Experience working with children with visual impairments or other disabilities is required, group facilitation experience preferred
- Must be creative and have a passion for engaging children in a variety of recreation, art, fitness, educational, and other activities
- Possess strong interpersonal and communication skills with children of all ages, families from diverse backgrounds, and other professionals
- Capable of meeting deadlines and seeking supervisory consultation when necessary
- Able to organize effectively, function independently, and collaborate as part of a team

REPORTS TO

Program Director

TERMS OF EMPLOYMENT

- Part-time averaging 15-25 hours per month with primarily weekend and evening hours
- Complete training related to working with children with visual impairments and other disabilities provided by DGC as needed
- Background check, drug screen and health certification completed upon offer of employment

- CPR and first aid certification and medication administration training within 60 days of employment
- Activities typically take place at DGC which offers accessible equipment and classroom space; some activities take place at other locations in the community and two trips take participants outside of the local area with transportation provided by DGC from the Center
- Must be physically able to lift or move 30-50 pounds; push/pull and lift equipment and supplies; assist children by bending, crouching, kneeling, sitting in chairs and/or on floor and reaching in all directions; and stand or sit for long periods
